Aansjuive

Aansjuive started with a group of volunteers in Itteren a few years ago with the aim of bringing lonely elderly people in our village together for dinner to have a nice and cosy time together. Currently, about 50 residents aged between 60 and 102 (!) use 'Aansjuive'. They meet once a month while enjoying the cooking and service of volunteers (aged between 11 and 70)

They are served a delicious 3-course menu. If required, the volunteers also providing transportation to the "dorpshuis" as well. Financially they can use all the help they can to cover costs of, for instance, equipment. LCMM is proud to support "Aansjuive"
